2014 - 2015 School Profile

Liberty High School is accredited via the Office of the Superintendent of Public Instruction for the state of Washington. LHS opened in 1977, serving grades 10 through 12 and transitioned to a four-year high school, serving grades 9 through 12, in 1984. Current enrollment is approximately 1200 students. Liberty is situated in a suburban setting, drawing the student population from primarily single family homes. Our students are involved in many school sponsored organizations and 3A King Co League Athletics. LHS has award winning Drama, Music, Journalism and NJROTC programs. Our science department supervises students who collect cosmic ray data as a part of an international research project through the University of Washington and Quarknet, supported by NASA and the U.S. Department of Energy.

Liberty High School encourages the coordinated efforts of all stakeholders, i.e. : students, staff and community, and expects success in all facets of the educational program.

Curriculum: Core curriculum courses are offered in English, Math, Science, Social Studies, Fine Arts, and Foreign Languages. Honors English and/or Honors Social Studies may be taken in grades 9 – 10. Career and Technical Education and Physical Education courses are also required for graduation.

Dual enrollment Programs, such as Advanced Placement (AP)*, College in the High School, Running Start and Tech Prep help student acquire college-level skills and earn college credit while still in high school. AP courses currently offered included:

AP English Language	AP Calculus AB
AP English Literature	AP Calculus BC
AP Human Geography	AP Statistics
AP US Government & Politics	AP Computer Science
AP U.S. History	AP Environmental Science
AP World History	AP Biology
AP Psychology	AP French Lang 4
AP Studio Art	AP French Lang 5

College in the High School is articulated with Bellevue College for Calculus, Honors Physics and Psychology and with University of Washington for French and Spanish. Tech-Prep courses are articulated with local community and technical college in a variety of areas.

*The Issaquah School District has been named to the **College Board® 2011-2012 AP® Honor Roll**. The ISD is one of only 367 districts nationally and one of ten districts statewide recognized by the College Board for increasing participation in AP courses while maintaining or improving test scores.

Class Schedule: The modified-block schedule, implemented at LHS in 1995, consists of two four-period days with each period lasting 90 minutes. Students have the opportunity to take eight classes per semester. The modified-block schedule alternates throughout the school year, with students attending periods 1 through 4 on "A" days and periods 5 through 8 on "B" days. Each semester class passed equals .5 credit. Students may take 7 classes plus a non-credit guided study or 8 classes per semester. The typical credits earned are 3.5 to 4.0 per semester and 7.0 to 8.0 credits per academic year.

Grading System: LHS uses a letter grading system based on a 4.0 scale. A student's grade point average (GPA) is based on the average of all semester grades listed on their LHS transcript. (S) Satisfactory, (U) Unsatisfactory, (NC) No Credit and (P) Pass grades are not included in the GPA calculation.

A	4.0	C+	2.3
A-	3.7	C	2.0
B+	3.3	C-	1.7
B	3.0	D	1.0
B-	2.7	F	0.0

Class Rank: Grades earned in all Advanced Placement (AP) Courses, College in the High School (CHC) Calculus, CHC Physics and CHC World Language 4 and CHC World Language 5 are weighted *only* for determination of class rank but not for grade point average. Weighted and non-weighted class ranks are available to the current senior class.
