Cultural Navigator Program

Helping people in east and south King County

caring support
access to services

The Cultural Navigator Program offers free, confidential social service assistance to individuals and families who have limited English language skills. The program particularly helps people living in East & South King County (Bellevue, Kirkland, Sammamish, Redmond, Snoqualmie Valley, Renton and Kent) to find appropriate resources for the health of their family. Services include, but are not limited to:

- Finding volunteer opportunities
- Starting a business or help with employment
- Learning about recreational activities
- Information about bus and transportation
- Locating child care resources
- Registering for English language classes
- Applying for food stamps and related assistance
- Accessing medical, legal and financial services
- Helping parents work with their child's teacher
- Housing and utility information and assistance
