Senior Exit Survey- Graduation Requirement DUE TODAY, MAY 29th!

Class of 2018, the Senior Exit Survey is now available online! This is the last part of your High School and Beyond Plan and survey completion is required to be cleared to walk at the graduation ceremony. You must complete the Skyline survey below as well as the district survey embedded within it.

Senior Exit Survey 2018

Graduation Eligibility: Seniors On Track posting to begin MAY 9th

Seniors- how do you know if you are on track to walk at the graduation ceremony?

Check out the Seniors on Track to Graduate list posted in the Commons, outside of the Counseling Center, and outside of the Library beginning on May 9th. If you are missing something in an area it will be marked and you'll need to speak with the appropriate support person to get it cleared. All areas MUST be cleared for a senior to walk in the graduation ceremony.

The areas that must be cleared are:

Counseling -The counseling category includes any classes teachers report you as in danger of failing, spring quarter RS classes required for graduation, online classes you're enrolled in, Senior Exit interview, etc. Email your School Counselor if this column is marked.

Fines- See Ms. Lorrain or look online

Library books- See Ms. Bacon or Ms. Kruper

Lunchroom accounts- see Ms. Langdon in the kitchen

Senior Surveys –The Senior Survey (see above) will be posted on the home page of the Skyline website. This is extremely important as it includes information for where and how your final transcript will be sent.

New "Senior On Track" lists will be posted each Wednesday on a different color of paper so students are aware of any changes. **Please note that once a student is clear in an area, it does not guarantee you are clear for the rest of the year.** For example, if you are clear for the library and then check out a book you will have an X on the list until you turn in the book at the end of the semester.
