

Newsletter Week of 10/11

FYI:

I am excited to share information about our new online portal for elementary students called Clever. Through this online portal students can access their Math program (Zearn), and many other great resources.

Login to the Clever online portal: <http://www.clever.com/in/issaquah>

Math: We will continue with metric conversion word problems. We will test next week on the unit and move onto multiplication. I recommend working on basic multiplication facts.

Reading: We will continue making connections and drawing inferences while reading our independent books. We will begin guided reading groups this week.

Important Dates:

Oct:

14 Teacher PD Day- No School

15 Picture Day ☺

17-19 Fall Book Fair

- 17th Thurs: 8:30-9:15, 3:40-4:15. Family night 6- 8
- 18th Fri: 8:30-9:15, 3:40-4:15
- 19th Sat: 10 am-4 pm

24 Spooky Spaghetti Night

31 Fall Party 12-1

Science: We will notice the effects of pollution on our ecosystems. Will be finishing up the ecosystems unit next week.

Writing: We will look at reader as a writer to help with our realistic fiction stories.
