Password = read

Math: We will continue with the multiplication unit. I recommend working on basic multiplication facts.

Reading: We will continue making connections and drawing inferences while reading. Also, we will use evidence to support themes.

Important Dates:

Oct:

Fall Book Fair

19th Sat: 10 am-4 pm

24 Spooky Spaghetti Night

31 Fall Party 12-1

Science: We will be finishing up our science one pager projects. We will study about pollution and create a story using facts from a reading.

Writing: We will be publishing our realistic fiction pieces.

We will begin a realistic fiction story based using facts that we learned in our science unit.
