Senior Exit Survey 2018

Graduation Eligibility: Seniors On Track posting to begin MAY 9th

Seniors- how do you know if you are on track to walk at the graduation ceremony?

Check out the Seniors on Track to Graduate list posted in the Commons, outside of the Counseling Center, and outside of the Library beginning on May 9th. If you are missing

something in an area it will be marked and you'll need to speak with the appropriate support person to get it cleared. All areas MUST be cleared for a senior to walk in the graduation ceremony.

The areas that must be cleared are:

Counseling -The counseling category includes any classes teachers report you as in danger of failing, spring quarter RS classes required for graduation, online classes you're enrolled in, Senior Exit interview, etc. Email your School Counselor if this column is marked.

Fines- See Ms. Lorrain or look online

Library books- See Ms. Bacon or Ms. Kruper

Lunchroom accounts- see Ms. Langdon in the kitchen

Senior Surveys –The Senior Survey (see above) will be posted on the home page of the Skyline website. This is extremely important as it includes information for where and how your final transcript will be sent.

New "Senior On Track" lists will be posted each Wednesday on a different color of paper so students are aware of any changes. **Please note that once a student is clear in an area, it does not guarantee you are clear for the rest of the year.** For example, if you are clear for the library and then check out a book you will have an X on the list until you turn in the book at the end of the semester.

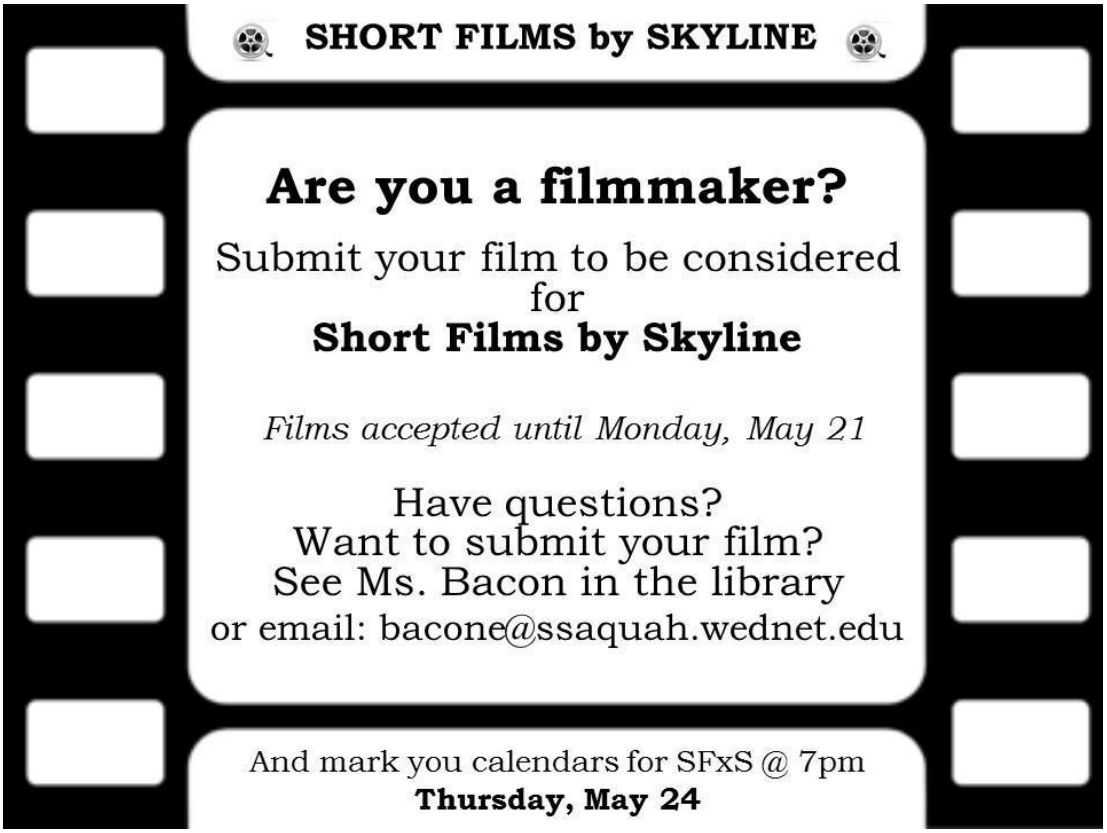
SENIOR SLIDE SHOW - Seniors and senior parents, our senior slide show is in need of more pictures! Please send pictures to skylineseniors@gmail.com by May 22nd to be included in the show. Don't forget Prom pictures!



SHS BOOSTER CLUB NEWS

SKYLINE BOOSTEER CLUB GENERAL MEMBERSHIP MEETING NOTICE

Skyline Booster club encourages all members to attend the last General Membership Meeting of the 2017-2018 School year on Monday May 14th at 7pm in the Skyline Library. Membership will vote on new bylaws, elect next years' Board and approve the interim budget. Contact Kathy Baril at president@skylineboosterclub.com for more information, or any board member found on the www.skylineboosterclub.com website.

The Club's President term ends June 2018 and the Booster Club must elect a new President to take over the roll this May to ensure club operations continue smoothly in to the next school year. Also, this years' Concession Chair is retiring in June and the

Club must find a volunteer (or volunteers) to fill this roll to be able to continue this profitable fundraiser.

THE SEARCH IS ON FOR THE NEXT NEW BOOSTER CLUB PRESIDENT FOR 2018-2019

As the leader of our non-profit, the President oversees club meetings, communications, committees, finances and works with the district staff and student body leaders to support the needs of Skyline and our clubs' members. The Boosters next President should be committed to serving our community and strive to make a positive impact on the Skyline. This elected position is for a 1 year term and can be co-chaired. Elections are on Monday May 14 at the Club's last general membership meeting of the year.

BOOSTER CLUB CONCESSIONS CHAIR FOR 2018-2019

The Concession Chair positions plays a key role in the success of the Skyline Booster Clubs' biggest fundraiser. How big? About $25,000 Skyline annually. The Boosters have been able to donate all concession proceeds back to Skyline over the last few years. Yes, that is a lot of hot chocolate, hot dogs and candy and it was all made possible by the behind the scenes work of a key volunteer: the Concessions Chair.

The Concession Chair (or co- chair) is an appointed position that sits on the Club's Board of Directors. It is a great positions for someone who is well organized, finds it fulfilling to meet and work with a lot of different people and raise a substantial amount of funds to benefit Skyline. The Chairperson(s) should able to delegate responsibility and will either adopt or improve on existing processes. The Concessions Chair(s) will be involved in or oversee ordering and managing inventory from Costco Business Services, recommend equipment needs, communicate with district staff regarding events, report any problems with facilities and schedule and communicate with volunteers. The Chairperson(s)' volunteer hours can be included in the Club's designated donation at the end of each season in the same manner as other volunteers. (Employer matching funds program for volunteer service hours may also be available
