- Life After High School
- Western Aerospace Scholars
- Summer and Job Opportunities

Skyline Events

Alumni Return to Skyline

This was a huge success! We had 8 Skyline High School alumni join us for a valuable panel discussion about their post graduation experience. Students discussed topics such as their experience with Gap Year, Trade School, transferring to a different college/university after the initial college wasn't the right fit, how they created a successful experience and more. Please keep your eyes and ears out for this event next year!

Summer SAT and ACT Prep

SATPrep.org is partnering with Skyline PTSA to offer **summer** SAT/ACT prep Courses at Skyline High School.

SAT Course & Practice Test - July 16, 17, 18, 19, 24, 25, 26 (Practice Test) - 8:30am to 12:30pm, (Class) - 8:30am to 11:15am Skyline High School. Registration Deadline: July 14th 2018

ACT Course & Practice Test - July 17, 18, 19, 24 25, 26 (Practice Test) - 8:30am to 12:30 pm, (Class) - 11:30am to 2:15pm Skyline High School. Registration Deadline: July 14th 2018

To register: https://www.satprep.org/

Attention Juniors! Final Workship

College essay help on **Thursday, May 31** in the College & Career Center during both lunches. Come and learn about strategies and guidelines for writing a standout essay, brainstorm for topic ideas and learn how to connect with the reader!

Presentation by Grace Nguyen of Pacific Lutheran University.

Other Events

CWU Sammamish Running Start Info Session

Wednesday, June 6, 6:30-7:30 PM

Session will cover:

- Admission requirements
- How and when to apply
- Benefits of participating in Running Start
- How Running Start is different at CWu
- Q&A with Running Start advisers

All interested students and families are welcome and encouraged to attend.

Life After High School

Want to get a jump start on your college search and application process? Attend the **Summer Planning For College Admissions** presentation at the Sammamish Library.

Saturday, June 9, 3:30 PM
Sammamish Library
For grades 9-12, parents welcome
Registration not required

Western Aerospace Scholars (WAS)

WAS is an online distance learning course and summer experience specifically designed for high school sophomores and juniors interested in science, technology, engineering and math (STEM) fields. The online curriculum is a University of Washington college course focused on NASA's space exploration program as well as topics in earth and space science.

For more information and to apply, visit HERE

Summer and Job Opportunities

Please visit the College and Career Center website under the Opportunities tab to see different opportunities!
