Valentine’s Box Decorating Competition

Mrs. Buder’s fifth graders are encouraged to put their creative minds to work and create an original design of a Valentine’s Mailbox! On Friday, February 14th, during our party, we will hold a competition to judge the creations based on the following categories:

- Most Creative
- Sportiest
- Most Colorful
- Sweetest
- Most Unexpected

Rules:
1. Boxes must be made at home.
2. They must be able to fit on a desk
3. You may only bring them to school on Friday, February 14th.

This competition is totally optional. If you choose not to make a mailbox, you can still participate in the voting. You will also still receive Valentines from others. We will just get another sort of holder for your desk.

Have Fun and Be Creative!
