ATHLETICS/CO-CURRICULAR ACTIVITIES

Liberty High School is a member of the KingCo League, the SeaKing District and the Washington Interscholastic Activities Association. Our teams compete with other teams within the KingCo conference for league, district, and state honors.

Liberty High School provides many opportunities for student involvement in co-curricular programs, including activities, clubs, athletics and fine arts. As representatives of our school, students who participate in these programs are held to high expectations and standards. We expect ALL students to demonstrate excellent sportsmanship and be positive role models at ALL times. Provided below are a list necessary requirements to participate in athletics and co-curricular activities at Liberty High School. For a full list of guidelines please refer to the 2015-2016 ISD Athletic Handbook which can be found on the district website.

ASB CARDS: All students participating in any activity sanctioned by the Associated Student Body (ASB) must purchase an activity card to be eligible to participate in those activities. In addition, ASB cards provide free admittance to all home football, basketball, soccer, gymnastics, volleyball and wrestling events. Students also can participate in countless other events at a discount such as away sporting events, plays, dances, choir and band performances, etc. The cost of the activities covered by the student card could not be purchased individually for twice the price of the card. The ASB card may be purchased from the Bookkeeper’s Office at any time during the year, but get your card soon to get the most savings possible! The ASB card is $55.00.

ACADEMIC REQUIREMENT: Academic eligibility will be determined at the beginning of each season by the athlete’s academic performance in the previous grading period (most recent quarter, trimester or semester). For athletic eligibility purposes only, unless otherwise stipulated, “NC” and “U” grades will be considered an “F” and computed as such in GPA computations. Students not meeting the required initial 2.00 GPA will be placed on academic probation through the first three competition weeks as determined by the Issaquah School District. Students who meet the 2.00 GPA criteria but who do not pass all classes will be put on probation through the first two competition weeks. During probation an athlete may practice with the team but not participate in contests. Jamborees are not considered contests; however, ineligible students may not participate in them.

At the end of the first probation period, grades in all classes will be checked. If an athlete is passing all classes at this time with a minimum 2.00 GPA, s/he will be released from probation. If grades are still deficient the student will be placed on second two-week probation. If, at the end of the second consecutive probation period, a student is still deficient in grade requirements, s/he may be released from the team at the discretion of the coach in consultation with the school administrator/designee.

Ongoing academic eligibility checks for all student athletes will occur regularly throughout the season. Specific dates for the upcoming year are posted on the school’s website. Student athletes who are not passing all classes or fall below the required 2.00 GPA during the season will be placed on academic probation for two (2) weeks of contests.

ATTENDANCE REQUIRED TO PARTICIPATE: A student is expected to be in attendance all 4 periods on the day of a practice or event in order to participate in co-curricular activities that afternoon or evening. This expectation applies to all activities, athletics, and fine art events. Participation may be denied for failure to comply with this policy.

ELIGIBILITY: In order for students to participate in any athletic program, they must do the following:

1. Turn in all registration forms and obtain a clearance form from the athletic secretary prior to the first practice (please use the school’s athletic checklist in order to assure all forms are appropriately completed and signed). Registration forms can be downloaded from the school or district website http://www.issaquah.wednet.edu/family/sports/HSports You are encouraged to complete the process early.
2. An updated medical emergency and concussion form
4. Passed all classes taken the previous semester. This includes the third trimester of 8th grade.
5. Be passing with a 2.0 grade point average as stated above.
6. Cleared all school fines.
7. Purchased an ASB activity card.
8. Paid the district participation fee of $200.00 per sport (maximum of $400.00 per student, per year) to be paid after team cuts and before the first game. (Full sports fee refund available up to the date of the first game)
9. Returned to the coach all previous sports equipment and uniforms issued or paid for any lost item.

A culminating project during the senior year will be required for graduation. 12th grade students are required to take one Senior English course each semester.

GENERAL SCHOOL POLICIES AND EXPECTATIONS

ACADEMIC PROGRESS: Course grades are updated regularly on Family Access for each course taken at Liberty High School. Please log in to the Family Access system to view attendance and academic progress for your student. For questions on logging in to Family Access, please ask the Liberty High School Registrar.

ASSEMBLY BEHAVIOR: Assemblies are an integral part of the school curriculum, have an educational value, and attendance at assemblies is required. Students are expected to conduct themselves in a way that demonstrates respect for those speaking or performing as well as those in attendance. Students who misbehave at assemblies may be removed from the assembly by an administrator and subject to disciplinary action.

CIVILITY POLICY: Respect for the individual is one of the hallmarks of a civilized society and shall be the basis for all interactions in all settings within the Issaquah School District or at the District activities, including academic, co-curricular, and others. To this end, all interpersonal communications –adult-to-adult, adult-to-student, student-to-adult, or student-to-student – must be conducted with fairness and civility. Students who perceive they are being treated disrespectfully or abusively by an adult or student in the Issaquah School District shall seek assistance through a school employee. The provisions of the District’s policy and procedures on harassment (Policy 3214 and its related procedures) and/or sexual harassment (Policy 3213 and its related procedures) may apply.

CLASS PARTICIPATION: Participation is critical in all cases. A part of each grade reflects participation in classroom activities. Daily attendance, a positive attitude, and active participation are vital to learning and achieving good grades.

COMPUTER/TECHNOLOGY USE: Every student using a district computer is required to have a parent sign a Network Access Agreement and Release form. This form acknowledges the right of the district to review material stored on its network. With the wide range of information accessible through public networks, the Network Access Agreement releases the district from liability for any damages due to information gained or obtained through the district network or from public networks.

Unacceptable uses of computer/technology: Computers are to be used for academic purposes ONLY. No games, audio files, video files, or other applications may be downloaded or installed by students or staff members without permission of the site administrator or designee. This includes chat or messaging programs. The purpose of any authorized downloads must be in support of education and research. No use of the system shall serve to disrupt the operation of the system by others, including ‘hacking’, introduction of viruses, or other unlawful activities; system components including hardware or software shall not be destroyed, modified, or abused in any way. Uses of the system to access, store, or distribute obscene or pornographic material is prohibited. Users are responsible for the appropriateness and content of material they transmit or publish on the system. Hate mail, harassment, discriminatory remarks, or other antisocial behaviors are expressly prohibited. Nor is the system to be used to access or publish information potentially endangering the public, e.g., bomb construction or drug manufacture.
COURSE CHANGE POLICY: As personnel, facilities and material resources are assigned based on student’s course selections, it is imperative that students choose courses carefully (including alternates) during spring registration. Changes to student schedules create an impact on many other courses, and therefore will only be made on a limited basis. If a student changes his/her schedule two weeks into the semester, that student is already behind in learning. Therefore, LHS administration has established the following schedule change policy to promote academic success for students.

Student/parent initiated schedule change requests must be submitted, via the online request form posted to the LHS website during the schedule change request window, no later than 3:00 p.m. on the 5th day of each semester. All change requests will be processed and students will be notified of the disposition of their request within 5 school days of the date the request is received, essentially locking all student schedules at the end of the 10th school day of each semester.

Valid reason for student/parent initiated schedule changes are strictly limited to:
1. Duplicate period error (i.e. two classes during the same period are listed on your schedule)
2. Incomplete schedule (i.e. missing class period on your schedule)
3. A senior missing a class required for graduation.
4. Inappropriate academic placement (i.e. you are in Algebra 2 but have not taken Geometry)
5. A student placed in an elective class they did not request, either as primary or alternate choice.
6. A student has a physical/medical reason, documented by a medical professional that will prevent participating in a class.

NOTE: IF A STUDENT/PARENT INITIATED SCHEDULE CHANGE IS MADE, THE STUDENT IS REQUIRED TO COMPLETE ALL ASSIGNMENTS FROM THE START OF THE SEMESTER IN THE NEW CLASS. STUDENTS WILL BE REQUIRED TO WORK WITH THEIR NEW TEACHER TO ACCOMPLISH THIS GOAL. IF A STUDENT CHOOSES NOT TO COMPLETE AN ASSIGNMENT, A “0” WILL BE ENTERED IN THE GRADEBOOK FOR THAT ASSIGNMENT, THEREFORE NEGATIVELY AFFECTING THE GRADE IN THE NEW CLASS.

Teacher initiated schedule changes may be made when a teacher recommends a student be moved from one level or another within the same subject area. Teachers will contact the parent/guardian to discuss the change and, if agreed upon, the teacher will contact the student’s administrator to recommend the change. Students will follow their original schedule until they are notified the change has been made.

DRUG FREE ZONES: Schools in the Issaquah School District are protected as drug free zones, as established by the City of Issaquah and King County. Drug free zones provide for possible double penalties for anyone caught trafficking controlled substances within 1,000 feet of a designated school, school bus stop or public park.

DISTRIBUTION OF PRINTED MATERIALS ON SCHOOL GROUNDS: In respect for the rights and beliefs of all of our students, you must obtain prior approval from the office of the Operations Coordinator before you or your student attempt to hand out any printed information, including invitations, to students or staff on school grounds. If you wish to post information on the school’s community bulletin board or other area set aside for this purpose, please contact your principal for approval. Guidelines for distribution of material on school grounds are included in Regulation #2340 and #4320. A complete copy of these policies may be obtained at any school or on the district website at www.issaquah.wednet.edu.

EMPLOYMENT: Parents are urged to monitor their students’ hours of employment so that students have adequate time to attend school, study, and rest. Child Labor Law restrictions are supported and LHS will not approve work permits which violate those hours (16 hours per week, 14 & 15 year olds; 20 hours per week, 16 & 17 year olds) and impair students’ ability to progress in school. Parents and students are urged to make school a priority.

FAMILY ACCESS/STUDENT ACCESS: To access your progress/grade report, attendance information or class schedule you must first enter Liberty website at www.liberty.issaquah.wednet.edu. Click on Family & Student Access. Follow the prompts. Log-in’s and passwords are available from the registrar.

FIELD TRIP EXPECTATIONS: Off-campus activities and field trips are designed to give students an educational, organizational, cultural, social, and leadership experience. As students participate in these activities, they will be representing not only Liberty High School but the entire Issaquah School District. To enhance a student’s experience and ensure their safety, well-being, and reputation, the following rules and regulations need to be followed:
1. A student will not possess, smoke, or use any form of tobacco.
2. A student will not possess, use, transmit, or be under the influence of alcohol or drugs.
3. A student will carry proper identification.
4. A student will agree to leave the chaperoned area only after chaperones/instructors have been notified and permission has been given.
5. On overnight trips, a student will agree to remain in their assigned room/sleeping areas following curfew. Additionally, any announced rules regarding male and female separation of living and sleeping areas must be adhered to without exception.

If a student fails to comply with these expectations, they jeopardize their own safety and the safety of others, and they will be disciplined. Discipline will be consistent with the rule violations outlined in the Student Handbook. The consequences may result in school sanctions up to and including emergency expulsion. Additionally, if deemed appropriate by the
instructors and school administrators, the student may be removed from the field trip and sent home at the parent/guardian expense.

**FOOD/DRINK:** Food and/or drink, with the exception of water, are not to be consumed in the carpeted areas of Liberty High School. Food may be allowed in the classroom only with the expressed permission of the individual teacher. Food shall only be available for purchase when the kitchen is open or the vending machines are on.

**GOOD NEIGHBOR POLICY:** We, at Liberty High School, want to maintain positive relationships with our neighbors. Students are to avoid trespassing on neighbors’ property and loitering in the street near their homes. Students with off-campus passes who leave during the school day are to avoid congregating in the neighborhood streets bordering the school. Students who fail to adhere to our good neighbor policy will be subject to disciplinary action and/or loss of off-campus privileges.

**HOMEWORK POLICY:** Our staff supports a homework policy that serves a variety of purposes: remediation, skill building, practice, reinforcement, and enrichment. Homework can also provide a monitoring system for determining student progress. Homework should be relevant, meaningful, motivating, and commensurate with an individual student’s abilities. The length of each skill building activity should be long enough for the student to master knowledge of the subject and yet short enough so that inappropriate skills are not practiced incorrectly. It is the teacher’s responsibility to give specific, immediate feedback once the homework is completed. Teachers will state their homework policy in their classroom procedures at the beginning of each semester.

**MEDICATION ADMINISTRATION AT SCHOOL:** Washington State Law and Issaquah School District Policy require that schools have written authorization from a licensed healthcare provider and parent on file yearly when a child needs to take medication during the school day. Students are permitted to carry medication and self-administer at the high school level when the physician and the parent have requested self-administration in writing and the request has been approved by the school nurse. High school students may be allowed to carry and self-administer over-the-counter medication when authorized by the parent and school nurse. **All medication must be in the original pharmacy labeled container. Students who carry and self-administer medication must carry only one daily dose in an original pharmacy container.** The Authorization For Administration of Medication at High School form is available in the attendance office, nurse’s office, and on the Issaquah School District website at http://www.issaquah.wednet.edu/health. If you have any questions regarding medication administration at Liberty, please contact our school nurse, at 425-837-4812.

**SCHOOL FINES:** A fine is assessed to students who have an outstanding class fee, damage to a book, missing book or equipment, or other assessment levied by a teacher, coach or advisor. Any student with an outstanding fine at Liberty High School will not be permitted to register, participate or purchase the following: Sports, traffic safety course, parking permit, dance tickets, or clubs and other activities.

Fines can be resolved by making payment to the ASB Bookkeeper, returning equipment to the appropriate teacher, coach or through an online payment which is accessible at http://www.liberty.issaquah.wednet.edu. Authority to remove a fine is directed by the teacher, coach or advisor.

**PAYMENT OPTIONS:**  
- **Online payment:** Certain class fees and purchases (e.g., ASB cards/yearbook) may be completed online through the Liberty website www.liberty.issaquah.wednet.edu. All student purchases may be viewed by visiting your Student’s “Student Ledger” at this site. **Cash and checks** are also accepted forms of payment through the Liberty High School bookkeeper. Please note: student receipting is individual. Families with more than one student at Liberty pay for each student’s fees and purchases separately as all records (health, transcript and financial) are kept individually.

The Issaquah School District has established the following policy for accepting checks and collecting bad checks.
- For a check to be an acceptable form of payment it must include your current, full and accurate name, address, and telephone number.
- In the event your check is returned for non-payment, the face value may be recovered electronically along with a state-allowed recovery fee.
- Should this occur, checks will no longer be an acceptable form of payment for the remainder of the school year for your student.

**SCHOOL NURSE WEBSITE:** The Issaquah School Nurses have a link on the district web site that has information on current health issues, district health forms, including the Authorization for Administration of Oral Medication at High School, District health policies, school nursing staff links, and health resources for parents. The link is: www.issaquah.wednet.edu/health.
SENIOR CLASS RANK / VALEDICTORIAN AND SALUTATORIAN SELECTION:

Liberty High School acknowledges that when students enroll in Advanced Placement (AP) classes or in certain College in High School (CHS) classes, they are making a conscious and informed decision to pursue a more rigorous course of study in high school.

Beginning with the class of 2015, LHS will recognize these students for their pursuit of this more rigorous course of study by offering a weighted class ranking system, along with the official standard class ranking that has been available to date. Students have the option to report their weighted or un-weighted rank when applying for colleges, while the transcript will reflect the state standardized (un-weighted) cumulative grade point average (GPA).

The weighted grade point average (GPA) will only be used by LHS to determine the class valedictorian and salutatorian. The designation of Honors Graduate or Distinguished Graduate will still be determined based on the standard (un-weighted) GPA.

The valedictorian is the graduating senior with the highest academic class ranking according to their weighted GPA as calculated at the end of the 1st semester of their senior year. The salutatorian is the student next in academic ranking according their weighted GPA as calculated the end of the 1st semester of their senior year. Students earn valedictorian and salutatorian honors based upon the following criteria:

1. Valedictorian and salutatorians candidates must earn a letter grade in all coursework for which a letter grade (A, B, C, D, and F) is an option throughout their high school program and complete all graduation requirements. For example, a pass/fail, satisfactory/unsatisfactory, etc. will disqualify a candidate from becoming class valedictorian or salutatorian if a letter grade option was available.

2. Students eligible for valedictorian or salutatorian honors must attend and earn semester credits at LHS or from a high school program defined as valid by the Issaquah School District during the last four consecutive semesters prior to graduation. High school programs are defined to include all accredited educational programs for which high school credit is granted with a grade. This includes, but is not limited to, Running Start, OPSI online courses, college enrichment, summer school and WaNIC.

STUDENT PARKING: If students desire parking privileges, they agree not to allow contraband in their automobiles. They agree that their vehicles are subject to search by school officials if the officials develop individualized suspicion that student(s) are or have been violating a law or student conduct rule. Students and their families understand the parking lots will be subject to periodic patrols by drug-sniffing dogs at times when the students are not in the vicinity of the dogs. Students agree that if a drug-sniffing dog “hits” on their vehicle while it is parked on school premises, school officials will have the authority to search the vehicle. If students refuse to allow searches of vehicles by school officials in such circumstances, students will lose their parking privileges and must understand that the Issaquah School District will presume that the dogs have accurately discovered contra-band in determining whether student disciplinary action is warranted. See Board Regulation #3230 – Student Privacy and Searches.

Parking is limited to those students who have legally registered cars and driver’s licenses and who have obtained an LHS parking permit. Parking permits are obtained by registering the vehicle, parent and student signature agreeing to regulations, and paying a registration fee of $140.00/year or $70.00/semester. At the time of registration, each driver is given a full copy of parking rules and regulations. Failure to follow those regulations can result in a fine of $20.00 that must be paid within five school days of receipt. Failure to pay parking fines or drivers who receive four or more tickets may be subject to school disciplinary action up to and including loss of parking privileges and towing at vehicle owner’s expense. The School District, Liberty High School, or its agents cannot be held liable for damages or loss due to theft or vandalism. Remember: ONLY seniors are allowed to park in senior parking.

STUDENT TRAFFIC COURT: The intent of the Student Traffic Court is to allow students who have been cited for minor traffic infractions, such as speeding, to take responsibility for their actions while keeping their relatively new driving records clean. Qualified Liberty High School students are allowed to appear before the Student Court (if it’s a court LHS participates with) and receive a penalty of community service hours to be performed. If these hours are performed successfully, the infraction will be dismissed.

How Traffic Court Works: When an individual is cited for a traffic infraction, the citation is filed with the Court. The student cited becomes the “Defendant.” Once the Defendant receives a copy of the citation, they are asked to follow the instructions printed on the back. The Defendant must indicate whether he or she wishes a hearing to either “contest” or “mitigate” (admit but explain) the infraction. The Defendant always has the option of admitting the infraction and paying the fine, in which case, the Student Court would not be involved. If the Defendant should choose to appear before the Student Court, the Court that issued the ticket may refer the case to the Student Court and take no immediate action on the citation. However, in the request for referral, the Defendant must understand that the Student Court will not be entitled to find the infraction “not committed.” A request to transfer the citation may be done in one of three ways:

1. Phone the Court that issued the ticket and request transfer of the citation to Liberty High School Student Court.
2. Write a letter to the District Court requesting that the citation be transferred to the Liberty High School Student Court.

3. Request a hearing before the District Court, as explained on the citation, and at that time request that the judge transfer the citation to the Liberty High School Student Court.

Students may only take advantage of the Student Court opportunity once. However, if a student Defendant has prior traffic violations but has never been to the Student Court, he or she may have the new offense referred there. If you have any questions, call the Liberty receptionist at (425) 837-4906, and you will be transferred to the appropriate administrator.

STUDENTS WITH SPECIAL HEALTHCARE NEEDS: Students with life-threatening conditions such as severe bee sting, severe food allergies, severe asthma, diabetes, seizures, etc., are required to have a medication or treatment order and nursing care plan in place before they start school each year. If a medication or treatment order is not provided, the chief administrator of the school is required to exclude the child until such order has been provided. This requirement applies to students with a life-threatening condition who are new to the district and students who are already attending the school. Contact our school nurse (425-837-4812) to discuss your child’s healthcare needs at school.

VISITORS: Visitors (other than parents/guardians) are not allowed on campus during the school day. Speakers or special presenters who have been approved by a teacher must register at the school office and wear a visitor’s badge.

LIBERTY HIGH SCHOOL ATTENDANCE POLICY

Regular school attendance is necessary for mastery of the educational program provided to students. Daily attendance and active participation in each class are critical parts of the learning process. Any absence from school for the majority of hours or periods in an average school day is unexcused unless it meets one of the criteria for an excused absence. The criteria may be found at District Regulation 3122.

As a means of instilling values of responsibility and personal accountability, a student whose absence is not excused will experience the consequences of his/her absence. A student's grade may be affected if a graded activity or assignment occurs during the period of time when the student is absent.

Therefore, in any semester, when a student accumulates, 11 (IHS/SHS) or 8 (LHS) excused or unexcused absences in a class or a student amasses 5 unexcused absences in a month in a class, the student and parent/guardian will be notified that a meeting with the Attendance Intervention Team is required. This team will work with the students and families on strategies to improve attendance and will ultimately determine if credit will be awarded, when a student amasses 11 or 8 excused or unexcused absences or 5 unexcused absences in a month. School-approved activities and discipline suspensions which require a student to miss class do not count as one of these absences. Pre-arranged and all other absences, excused and unexcused, are included. The circumstances pertaining to the student’s inability to attend school will be taken into consideration, whether the absences are directly related to the student’s disability under Section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act, or the individuals with Disabilities Education Act.

The complete Attendance Regulation and accompanying procedures may be found online as District Regulation 3122.

EXCUSED AND UNEXCUSED ABSENCES: Students are expected to attend all classes each day. Teachers shall keep an accurate record of absenteeism and tardiness. Students are considered absent if they enter class after 20 minutes (15 minutes on Wednesdays) have elapsed. Students entering after the final bell of the passing period are considered tardy. Any student who leaves a class without permission prior to it ending is considered truant. A computerized message will contact households in the evening informing parents that their student(s) missed one or more periods that day. Remember, students participating in an athletic activity must be in attendance in all periods, as assigned, to be eligible for participation in the activity or event. Parents should provide their students with a note or contact the Attendance Office (425-837-4810) within 48 hours following an absence. A student is considered absent if the student misses more than 20 minutes of class (15 minutes on Wednesday), with either an early dismissal or a late arrival. If arriving after the tardy time limit, students are to report directly to the attendance office and then to class.

EXCUSED ABSENCES: The following are valid excuses for absenteeism and tardiness with the appropriate documentation and notification:

- Participation in a school-approved activity.
- Absence due to illness or health condition.
- Religious observance.
- Family emergencies or reasons.
- Required court proceedings.
- Disciplinary actions or suspensions.

With prior administrator approval, family trips will be excused. No administrator approval will be given to those in danger of losing credit due to eight absences in any one class.
NOTE: Please note that even though these absences may be excused, they still apply to the total allowed. A student's decision to miss a class to study for a test or complete an assignment is not an appropriate excuse for an absence.

UNEXCUSED ABSENCES (TRUANCIES): All absences that are not authorized by the principal, not excused from among the above reasons, or are results of leaving school without checking out are unexcused absences. Failing to provide a note/phone call from parent/guardian to verify an absence within 48 hours of the student’s return to school is also considered truancy. If the student does not clear an absence in that timeframe, it becomes an unexcused absence. Further, a detention notice for failing to clear an absence may be sent. If an 18-year-old student has applied for and received permission to write their own notes, verification must be made by the student prior to the end of the day on the day of the absence. Otherwise, a parent will need to verify the absence. Students may not receive credit for a graded activity or assignment assigned or due during the time of absence nor must they be allowed to make up missed work. A truancy petition may be filed with King County Court if a student fails to attend class regularly.

TARDINESS: Students arriving late for school or class for any reason not described as an excused absence will be counted as unexcused tardy and may be subject to disciplinary action. Students arriving later than 20 minutes (15 minutes on Wednesdays) shall be counted as absent for the class and not tardy.

VERIFICATION: Excused absences must be verified by a telephone call of explanation by a parent, guardian, emancipated student or adult student within 48 hours of the day following the absence or by assigned note of explanation upon the student’s arrival on campus. *Absences should be documented at home on a personal calendar.* A student shall be allowed one make-up day for each day of absence. Failure to punctually complete missed assignments will result in the loss of credit for those assignments. Students should note that not all types of work can be made up (pop quizzes, guest speakers, graded class discussions, etc.). If a student is confined to home or hospital for an extended period, the school shall arrange for the accomplishment of assignments whenever practical. If the student is unable to do his/her schoolwork, the student may be required to take an incomplete or withdraw from the class without penalty.

PROCEDURES: Upon returning to school from an absence, if not called in previously, students must obtain an Admit Slip at the Attendance Office and present it to each teacher the next day they have those classes.

PREARRANGED ABSENCES: Prearranged absences may be secured through a form from the Attendance Secretary or found on the school website. The form must be returned to the Attendance Office one week prior to the absence after being signed by the teachers, administrator and by the parent/guardian. If the absence causes an adverse effect on the student’s educational progress, the absence shall not be approved. Students requesting a partial day absence must check out through the Attendance Office before departure. Contact with the parent/guardian will be necessary if a note from the parent/guardian is not available. Leaving school without signing out will result in disciplinary action for truancy even if the parent/guardian calls the school or provides a note to excuse the absence at a later time.

1. Students who become ill at school must check out with the attendance office even if the health attendant speaks with a parent/guardian. Failure to do so could result in an unexcused absence and disciplinary action.
2. Procedures outlined in the BECCA Bill will be followed as unexcused absences occur. RCW28A.225.010.
3. Disciplinary action, in the form of before-school detention or Saturday School, will be assessed for all truancies.
4. Requests for homework to be gathered from teachers will be sent to the Attendance Office. Please allow 24-48 hours for requests’ to be fulfilled when a student is expected to be absent for more than three days because of illness or disciplinary action. Homework will not be gathered for students missing school because of personal choice or truancy.

REQUEST FOR SIGNING ONE’S OWN NOTES: In order to write his/her own notes for absences, the student:

- Must be an eighteen-year-old senior. Parent signature still required.
- Cannot have any unexcused absences in the previous semester and have passed all classes.
- Is required to have an interview with the Principal or his designee.
- Will lose the privilege of writing one’s own note with unexcused absences or any disciplinary action.

CLASS ABSENCE LIMIT/LOSS OF CREDIT:

1. When a student accumulates eight absences in any semester, excused or unexcused, in a given class, the student and parent/guardian will be notified that there has been a loss of credit. The student has the right to appeal and will remain in class during this time to allow for continued learning. School-approved activities and disciplinary suspensions, which require a student to miss class, do not count as one of the eight absences. Pre-arranged and all other absences, excused and unexcused, are included. If these eight absences have been caused by long-term extenuating circumstances or an extended chronic health condition, the parent should contact an administrator.

2. If a student chooses to appeal, he/she must contact the Assistant Principals’ Secretary and appear before the Attendance Appeals Committee to account for his/her absence and appeal for reinstatement of credit. This Committee will consider the appropriateness and circumstances of each absence and will notify the student of its decision within three days of the hearing. Committee decisions will not be reconsidered. If credit is denied, an “NC”
grade will be assigned if the student attends class, is productive, and earns a passing grade. Otherwise, an “F” is assigned. An “NC” grade is not factored into the GPA; however, an “F” is included. A student may be removed from class due to disruptive or nonproductive conduct. The student will then receive a modified schedule and an “F” on his/her transcript for the class.

PARTIAL DAY ABSENCES/EARLY DISMISSAL: Students who must leave the school during the school day must present a note upon arrival at school or before leaving. Leaving without checking out will be cause for disciplinary action. On the day following the early dismissal, the student must present an Admit to Class slip to teacher(s) in the class(es) missed.

AFTER SCHOOL ATHLETICS: Students involved in after-school athletics must be in attendance for the full day in order to be eligible for participation. Verified medical appointments and other extenuating circumstances must be cleared with an administrator.

LIBERTY HIGH SCHOOL - DISCIPLINE POLICY
Students, parents, and school personnel are jointly responsible for expecting and demonstrating behavior that ensures a safe, orderly and healthy environment for all persons at all times. Students may not behave in a manner that is disruptive to the educational process or that is unsafe for other students, staff, and/or self.

A progressive discipline approach attempts to relate the imposed disciplinary action or intervention to the severity of the offense and the number of times that offense or accumulated offenses have occurred. Students who violate a rule the first time face disciplinary action commensurate to the violation and a first occurrence. Second violations will result in stronger disciplinary action. Repeated violations may result in severe disciplinary action or suspension. At each intervention step the intent is to assist the student in identifying the problem, understanding what new behavior is necessary, and encouraging the student to accept accountability for his/her actions. Every case is considered on its individual merit.

The goal of the progressive discipline approach at school is to encourage students to:
- Correct inappropriate or unacceptable behavior
- Develop a better understanding of the problem and the need for behavior change
- Accept responsibility for their action
- Provide an opportunity to demonstrate improvement and personal growth

Students are expected to comply with all school board policies, state laws and the district’s established bus policies. The transportation department imposes discipline, which may result in loss of riding privileges. Law enforcement agencies will be contacted as appropriate. In cases of destruction or theft of school district property, grades, transcripts, and diplomas will be withheld until restitution is made through student labor and/or payment.

DEFINITIONS:
- **School District Property:** School grounds - All the property of Issaquah School District and Liberty High School (i.e., campus, parking areas, stadium complex, and other district property) at any time before, during, or after school and at any time when the school is being used by any school group.
- **Campus:** The instructional areas of Liberty High School (excluding parking areas and stadium complex).
- **Restitution:** The act of making good or compensating for loss or damage. The damaged or stolen item is replaced or fixed.
- **Confiscation:** The act of taking away items that are inappropriate for school (i.e. tobacco, radios, knives, noise makers, etc.).
- **Discipline:** Action taken to correct inappropriate behavior and clarify expected appropriate behavior.
- **Removal from Class:** The student is removed from one or more classes for a specified length of time but remains at school during these periods or receives other appropriate disciplinary action. If a student is removed from class, she/he must report to an administrator immediately. The teacher must have first attempted other methods of controlling or changing the inappropriate behavior. The teacher is responsible for telephoning the parent and recording the date of contact for future reference.
- **Detention:** As assigned to be served before school, immediately after school or during lunch; monitored study hall.
- **Work Detail:** As assigned during lunch or after school; monitored by an administrator and/or designee
- **Saturday School 8:00 a.m. to Noon on Saturdays; monitored study hall; may include campus cleanup. Failure to serve Saturday School may result in a 2-day Short-Term/In-house Suspension. Although not listed under each discipline rule, Saturday School will be an option when available.
- **Suspension** means the denial of attendance for any single subject or class or for any full schedule of subjects or classes for a stated period of time. Suspension may also include denial of admission to, or entry upon, real and personal property that is owned, leased, rented or controlled by the District. During suspension, students cannot be on any school district property or attend any school events. Depending on the circumstances of the infraction
and the discipline imposed, a suspension may begin immediately during the school day, after school, or the following morning. In order to minimize absence from school, in-house suspension may be used as an alternative to short-term suspension. Parents will be notified by letter.

- **Short-Term Suspension:** (STS) means suspension for any portion of a calendar day up to and not exceeding ten (10) consecutive school days. Missed schoolwork is available upon request.

- **Long-Term Suspension:** (LTS) means a suspension that exceeds ten (10) consecutive school days and ends no later than the last day of the school year during which the student’s misconduct occurred. A long-term suspension cannot cause the student to lose academic grades or credit in excess of one semester or trimester during the same school year. Missing schoolwork is NOT available for long-term suspension.

- **Emergency Expulsion** means an emergency removal from school for up to, but not exceeding, ten (10) consecutive school days from the student’s current school placement by the Superintendent or designee. An emergency expulsion requires the Superintendent or designee to have good and sufficient reason to believe that the student’s presence poses an immediate and continuing danger to other students or school staff or an immediate and continuing threat of substantial disruption of the educational process. An emergency expulsion must end or be converted to another form of corrective action within ten (10) school days from the date of the emergency removal from school. If the District converts the emergency expulsion to another form of corrective action, it must provide notice and an explanation of due process rights to the student and parent/guardian.

**DUE PROCESS:** No student shall be deprived of the right to an equal educational opportunity without due process. Essentially, due process means fair treatment. Procedures have been established to guarantee that discipline that denies access to educational opportunity is administered in accordance with these principles. The procedures are designed to ensure that corrective action, if any, is taken only after a thorough examination of the facts.

**RESPECT FOR THE LAW AND THE RIGHTS OF OTHERS, AND DISCIPLINE AND CORRECTIVE ACTION:** Students, parents, and school personnel are jointly responsible for expecting and demonstrating behavior that ensures a safe, orderly and healthy environment for all persons at all times. Students may not behave in a manner that is disruptive to the educational process or that is unsafe for other students, staff, and/or self.

The student is responsible as a citizen to observe the laws of the United States, the state of Washington, and local ordinances and laws. The student will respect the rights of others while in school, on school property, at all school activities, on district provided transportation or otherwise under school authority.

All students will obey the written rules and regulations established for the orderly operations of the district and the reasonable requests, instructions, and directives of district personnel. For purposes of Regulation 3240 and this procedure, the term “district personnel” includes all adults, including contractors and volunteers, authorized to supervise student activities. Failure to do so will be cause for disciplinary action. All students will submit to reasonable discipline by the school district and its representatives for violations of policies, regulations and rules.

Unless specified differently in a particular rule, the rules of conduct contained herein shall be in effect under the following circumstances: on the school grounds immediately before, during, and immediately after school hours; near the school grounds immediately before, during, and immediately after school hours; at any time when a school is being used by any school group; off the school grounds at a school activity, function or event; or anywhere and anytime a student’s conduct has a real and substantial relationship to the lawful maintenance and operation of the district. Students engaging in such conduct, or attempting to engage in such conduct, are subject to corrective action or discipline. Accordingly, students may lose the privilege of participating in school-sponsored activities, including graduation ceremonies, for disciplinary reasons.

Law enforcement agencies shall be contacted in violations of assault; possession, use, or transmitting alcohol or other drugs not prescribed for the individual; arson; possession of a dangerous weapon or weapon facsimile; reporting false alarms; trespassing; abuse and theft as appropriate; and of other criminal activities.

Department of Social and Health Services, Children’s Protective Services, may be contacted in cases of abuse or assault. If the victim is 18 or older and developmentally disabled, Adult Protective Services may be called.
In cases of destruction or theft of school district property grades, transcripts, and diplomas will be withheld until restitution is made through student labor and/or payment.

A progressive discipline approach attempts to relate the imposed disciplinary action or intervention to the severity of the offense and the number of times that offense or accumulated offenses have occurred. Students who violate a rule the first time face disciplinary action commensurate to the violation and a first occurrence. Additional violations, similar in nature or not, may result in increased disciplinary action. At each intervention step the intent is to assist the student in identifying the problem, understanding what new behavior is necessary, and encouraging the student to accept accountability for his/her actions. Every case is considered on its individual merit. The goal of the progressive discipline approach at school is to encourage students to:

- Correct inappropriate or unacceptable behavior
- Develop a better understanding of the problem and the need for behavior change
- Accept responsibility for their action
- Provide an opportunity to demonstrate improvement and personal growth

The transportation department imposes discipline which may result in loss of riding privilege. Disciplinary actions listed below will be applied with the discretion and professional judgment of an administrator.

A complete copy of Regulation 3241/3241P – Classroom Management, Discipline and Corrective Action and other related policies may be obtained at any school or on the district website.

**STUDENT RIGHTS AND RESPONSIBILITIES:** Students are entitled to the rights of all people as set forth in the Constitution and laws of the United States; the Constitution and laws of the State of Washington; the law regarding equal education opportunity; First Amendment rights to freedom of press, speech, peaceable assembly and petition; and the right to be secure in their pursuit of an education while in the custody of the school district. These rights are subject to the school district’s authority to make reasonable rules and regulations to maintain the educational process. A complete copy of the Regulation may be obtained at any school. Procedures are designed to ensure that corrective action, if any, is taken only after a thorough examination of the facts.

**SEARCH AND SEIZURE:** Students are entitled to the guarantees of the Fourth Amendment and shall be secure in their persons, papers, and effects against unreasonable searches and seizures. However, school officials have the responsibility of maintaining a safe environment and are empowered to conduct a reasonable search of a student and school property when there is reasonable cause or grounds for suspecting or believing that the search will turn up evidence that the student has violated or is violating either the law or the rules of the school. Any search conducted must comply with applicable laws. School property will remain under the control of school officials, and will be subject to search. A complete copy of Regulation #3230 may be obtained at any school or on the district website at [www.isaquah.wednet.edu](http://www.isaquah.wednet.edu).

School authorities may seize any contraband substance or object the possession of which is illegal, or any material or object which violates a school rule or poses a hazard to the safety and good order of the school. Students are not allowed to bring these items to school or any school-sponsored function.

Authority to Conduct a Search – The law allows school authorities to search students, their lockers, their motor vehicles and personal property when they have a reasonable suspicion that a particular student is in possession of something prohibited by the law or school rules.

General Inspection – School authorities may make general inspections of lockers or desks for purposes including, but not limited to, safety, cleanliness, retrieval of school material, and maintenance. Such general inspections shall not include searching personal items stored in lockers or desks, such as clothing, bags, or purses unless reasonable particularized suspicion exists.

Locker/Desk/Storage Area Inspections – All lockers and storage areas provided for student use on school premises remain the property of the District and are subject to inspection/access for maintenance and search. If, as a result of such a general search, a building administrator or designee develops reasonable suspicion that a container in a student locker or desk may contain evidence of student misconduct, the administrator may search the container. In case of suspensions, parents will be notified by telephone and/or by letter.

**PROHIBITION OF HARASSMENT, INTIMIDATION, AND BULLYING:** If a student feels that he or she is being harassed, intimidated, or bullied because of race, creed, color, national origin, ancestry, gender, sexual orientation, or disability, the student should immediately report such incidents to a teacher, counselor, or building administrator. A complete copy of Regulation #3207 may be obtained at any school or on the district website at [www.isaquah.wednet.edu](http://www.isaquah.wednet.edu).

“Harassment, intimidation or bullying” is defined for purposes of this Regulation as any intentional written message or image including those that are electronically transmitted, verbal or physical act, including but not limited to one shown to
be motivated by race, color, religion, ancestry, national origin, gender, sexual orientation or mental or physical disability, or other distinguishing characteristics, when the act:
   (a) Physically harms a student or damages the student’s property; or
   (b) Has the effect of substantially interfering with a student’s education (for example, substantially interfering with classroom performance, attendance, or pattern of tardiness) or
   (c) Is so severe, persistent, or pervasive that it creates an intimidating or threatening educational environment; or
   (d) Has the effect of substantially disrupting the orderly operation of the school.

STUDENT CONDUCT EXPECTATIONS

As authorized by chapter 28A.600 RCW, the following procedure sets forth rights and conduct expectations for students, along with the sanctions that may be imposed for violations of such expectations. At all times, this procedure will be read consistent with federal statutes and regulations, state statutes, common law, and rules promulgated by the Washington Office of the Superintendent of Public Instruction.

The following list of offenses generally describes such conduct, but is not intended to be exclusive. Each is specifically prohibited on school grounds, on school sponsored transportation, at school events off school grounds, and off school grounds if the conduct materially and substantially affects the educational process or District operations.

Such misconduct may also result in an expulsion or emergency expulsion under the circumstances described in Regulation 3241 and Procedure 3241P.

In case of short-term or long-term suspensions or expulsions, parents will be notified. During suspension, students cannot be on any school district property or attend any school events. Depending on the circumstances of the infraction and the discipline imposed, a suspension/expulsion may begin immediately during the school day, after school, or the following morning. In order to minimize absences from school and depending upon the infraction, in-house suspension/Saturday School may be used as an alternative to out of school suspension. In addition, any student who is participating in or will be participating in school athletics, ASB, cheer, dance, and/or drill is subject to sanctions for violation of the drug and alcohol Regulation as outlined in the Student Athletic Handbook available online at www.issaquah.wednet.edu.

The Student Conduct Expectations also pertains to students involved in Running Start and WaNIC during lunch and traveling between schools. Any action which removes a student from school for more than one day will comprise a “disciplinary action” and will be documented in the student’s cumulative file.

An Ad Hoc Committee of citizens, convened in accordance with WAC 392-400-245(2);and 260(2) has determined that infractions indicated below by an asterisk are misconduct deemed exceptional and may result in immediate suspension or expulsion for a first-time offense.

The disciplinary actions listed below will be applied with the discretion and professional judgment of an administrator.

*Arson - Knowingly and/or maliciously causing a fire or explosion is prohibited.

E. Interfering seriously with the conduct of any class or activity.

**Disruptive Dress and Appearance** - Dress and appearance must not present health or safety problems, intimidate others, or cause disruption. Appropriate clothing in a school or at school events contributes to a positive and quality environment at school, thus student clothing must be appropriate for an academic atmosphere. If a student’s appearance is considered disruptive or inappropriate by the staff or administrator, the student will be asked to change; this may include being sent home to secure more appropriate clothing. Students are asked to wear clothes that completely cover undergarments (bras, bra straps, boxer shorts, thong underwear, underwear, etc.) Clothing should be modest, thus will need to cover midriffs, cleavage, and any underwear regardless of the action of the student. As examples, tube tops, one-shouldered tank-tops, spaghetti straps, or excessively baggy pants worn below the waist are not appropriate. The reasonable standard of length of skirts, dresses, and shorts (including the slits in skirts) is that they be no shorter than the student’s fingertips when arms and hands are extended down their sides. Appropriate footwear must be worn at all times and does not include slippers.    - Any inappropriate backside dancing (ankle/knee grabbing, bending over more than 90 degrees, etc.)
   - Inappropriate touching, fondling, excessive displays of affection.
   - Removal of shirts, pants or necessary articles of clothing
   - No on the floor dancing or lap dancing

Dance passes are available in the attendance office. **Students may not bring a guest that is over 21.** If you or your guest is asked to leave a dance, both parties will be required to leave. Your parents will be called to come and pick you up if necessary.

3. Any student or guest that is dressed inappropriately will be asked to change or be removed from the dance. No refund will be given. For appropriate dress description, see Dress Standards.

4. **Dance admission**: EVERYONE MUST HAVE PICTURE ID. Current school ID, passport, or driver’s license will be the only forms of picture ID accepted.

*Drugs, Alcohol and Mind-Altering Substances* - A student shall not possess, use, sell, transmit, be under the influence of, or show evidence of having used any alcoholic beverage or other drugs or substances capable of or intended, purported, or presumed to be capable of altering a student’s mood, perception, behavior or judgment, other than properly used, over-the-counter pain relievers and medications prescribed by a physician for an individual student and used at school in accordance with Regulation 3416. Nor shall the student possess, use, sell, or transmit paraphernalia associated with such drugs, alcohol, or chemical substances.

**Selling controlled substance**

- 1st offense – LTS(30-90 days); emergency expulsion; police notified
- 2nd offense- emergency expulsion, police notified; may result in expulsion from the district

**Alternative Consequences for Drug/Alcohol Violations**

Alcohol and drug use is a considerable threat not only to those students who are under the influence, but also to those who
are innocent bystanders. The Issaquah School District is committed to providing a drug-free environment for all students and maintains zero tolerance for students who violate the School District Regulation concerning drugs and alcohol. The usual recommended consequence for a first offense of the ISD Drug/Alcohol Regulation is emergency expulsion, followed by a 90-day suspension from school. A second offense may result in the student’s permanent expulsion from the Issaquah School District.

In an attempt to identify a student’s drug or alcohol dependency or abuse and support those students in attaining follow-up care or education, the Issaquah School District offers an alternative to a lengthy suspension. Listed below are the expectations and steps a student must follow in converting an emergency expulsion to a long- or short-term suspension:

a. Choose a state certified assessing agency and sign appropriate release forms to:
   - Enable the school to give the assessing agency information that would be useful in making an accurate assessment, and
   - Allow the assessing agency to share information regarding the student’s assessment and ongoing progress with school personnel.

b. Fully participate in a drug/alcohol assessment at the agency.

c. Upon completion of these steps, the emergency expulsion will be converted to a suspension of not fewer than ten days. Upon returning to school, the student will be expected to follow the recommendation as made by the assessing agency. The school will stay in close contact with the assessing agency to ensure the student is compliant with the recommendations that were made, and will assist the student in remaining drug/alcohol free.

These expectations will be in effect until the completion of the long-term suspension (up to 90 days). If the student fails to comply with these expectations, the privilege of returning to school will be revoked and the student will be suspended for the remainder of the semester.

Please note: Any student-athlete or student involved in cheer, dance, in season, out of season or between seasons, will be immediately ineligible for interscholastic competition in the current interscholastic sports/activity program for the remainder of the season if they are found in violation of this rule. This also pertains to attending and/or remaining at an event where it is reasonably known by those present that alcoholic beverages, drugs and/or chemical substances are being consumed. In this situation it is the responsibility of the student-athlete or student involved in the activities noted above to remove him/herself IMMEDIATELY beyond all reasonable doubt and proximity, from the situation. An individual who makes a willful choice to remain at such an event is in violation of this rule and subject to athletic sanctions.

SAFE AND POSITIVE ENVIRONMENT

The Issaquah School District believes that a safe, civil environment is essential to high student and staff achievement, to the free exchange of ideas central to a quality educational process, and to the development of youth as thoughtful participants in our democracy. Conversely, uncivil conduct, like other forms of disruptive behavior, interferes with a student’s ability to learn and a school’s ability to educate its students. A complete copy of the Civility Regulation #3205 may be obtained at any school or on the district website at www.issaquah.wednet.edu.

The district’s policies on harassment—sexual and otherwise—support our high expectations for proper behavior. Please take a moment to review the summary of these policies. If you would like the complete text, you may contact the district personnel office at (425) 837-7056. The district’s harassment policies cover students. They include definitions and procedures to deal with complaints, and are shared with students, staff, and parents annually. See Regulations #3207, #3210, #3213.

Examples of harassment include, without limitation: invitations for dates which do not stop when the response is negative; uninvited and deliberate touching or feigned accidental brushing against a person’s body; feigned friendly pats, squeezes, pinches, or other forms of physical contact; standing too close, cornering or stalking a person; using derogatory sexual terms for a person; uninvited letters, phone calls, or gifts; teasing with sexually explicit or suggestive materials in the workplace, including “pin-ups” or sexually degrading cartoons posted in the school site; uninvited sexually suggestive looks, constant leering or ogling, or gestures; uninvited sexual teasing, remarks, or questions regarding an individual’s personal life, which have no relationship to the school environment; and demands for sexual favors in return for grades or other employment or education achievement; disparaging remarks, hazing, pranks, or other intimidating behavior directed toward an individual because of the individual’s race, color, sex, creed, religion, sexual orientation, ancestry, national origin, physical/personality traits or style, physical, sensory, or mental disabilities, or any other category protected by law.

If an individual experiences harassment, an informal or a formal complaint process is available. If the complaint is not resolved satisfactorily, there is an appeal procedure.

SEXUAL HARASSMENT

It is the Regulation of the Issaquah School District that there be no discrimination against any student on the basis of gender. In keeping with that Regulation, the District will not tolerate sexual harassment of or by any of its employees, students, volunteers or parents. Sexual harassment is a violation of the District’s rules of conduct for the educational setting. Any student who feels that he or she has been subjected to sexual harassment by another student, district staff member, parent or volunteer should immediately report the incident to a teacher, counselor or building administrator.

Transportation

The mission of the district and bus drivers is to safely transport students to and from school. A complete copy of Regulation #6606, setting forth the specific rules of conduct on buses, may be obtained at any school or from the Transportation Department.

The district uses random placement of video cameras on school buses to maintain good order and increase safety. The video tapes may be used to identify students who violate the rules of conduct for buses and for decisions based on those violations. A complete copy of Regulation #6608 may be obtained at any school or the Transportation Department.

NON-DISCRIMINATION

The District will provide equal educational opportunity and treatment for all students in all aspects of the academic and activities program without discrimination based on race, religion, creed, color, national origin, age, honorably-discharged veteran or military status, sex, sexual orientation, gender expression or identity, marital status, the presence of any sensory, mental or physical disability, or the use of a trained dog guide or service animal by a person with a disability. The District will provide equal access to school facilities to the Boy Scouts of America and all other designated youth groups listed in Title 36 of the United States Code as a patriotic society.

RELEASE OF STUDENT INFORMATION

The Issaquah School District cannot release student information to persons or organizations outside the district without the written consent of a parent, with the following exceptions:

1. The school district will forward education records upon request to a school in which a student seeks enrollment.

2. The school district will release directory information which includes the student's name, address, telephone number, date and place of birth, participation in officially recognized activities, sports, weight and height of members of athletic teams, attendance dates, diplomas, awards received, yearbook and other photos, and most recent school attended.

3. The school district may also release photographs or videotapes of students taken in circumstances not generally considered harmful or an invasion of the privacy of the involved students.

Information may be used for purposes such as school related fund-raising, publication of a student directory, parent organization mailing lists, school yearbooks and newspapers, commencement programs and publication of honor rolls, and other school information about students in the district publications or public media. Information will not be released for commercial purposes.

The Family Educational Rights and Privacy Act grants to parents the right to restrict the release of some of this information. If a written request is placed in a student’s record, directory information, photographs and videotapes will not be released except in an extreme emergency to protect the student’s health and safety. The student’s name will not appear in the directory, school programs, yearbook, newspaper, or other public news media. Those families who have unlisted telephone numbers may request that only that part of the directory information not be released without prior consent.

Parents who do not want directory information, photographs or video tapes, or their telephone number released must submit a written request to their student's school by September 15. If the school does not receive a request by that date, school staff will assume that there is no objection to the release of such information. A complete copy of Regulation #3231 may be obtained at any school or on the district website at www.issaquah.wednet.edu.

Family Educational Rights and Privacy Act (FERPA)

The Family Educational Rights and Privacy Act affords parents and students over 18 years of age certain rights with respect to the student’s education records, which are:

1. The right to inspect and review the student’s educational records within 45 days of the day the district receives a request for access. Parents or eligible students should submit to the principal or appropriate school official a written request, identifying the record(s) they wish to inspect. The principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

2. The right to request an amendment of the student’s education record that the parent or eligible student believes is inaccurate or misleading. Parents or eligible students may submit a written request to the principal, identifying the part of the record they wish to have amended, and the reasons why they believe the record is inaccurate or misleading. If the district decides not to amend the record, the parent or eligible student will be notified of the decision, of their right to a hearing, and of the hearing procedures to be followed.

3. The right to consent to disclosure of personally identifiable information contained in the student’s education records, except to the extent the FERPA authorizes disclosure without consent. One exception which permits disclosure without consent is the disclosure to school officials with legitimate educational interests, such as: an administrator, supervisor, teacher, or support staff member, a school board member, law enforcement personnel; a person/company with whom the district has contracted to perform a service, such as: an attorney, auditor, medical consultant or therapist; or a parent/student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his/her tasks. A school official has a legitimate education interest if the official needs to review an education record in order to fulfill his/her professional responsibility. Upon request, the district discloses education records without consent to officials of another school district in which a student seeks or intends to enroll.

4. Parents or eligible students have the right to file a complaint about an alleged failure by the district to comply with the requirements of FERPA by contacting the U.S. Department of Education at the following address: Family Regulation Compliance Office, U.S. Dept. of Education, 400 Maryland Ave. S.W., Washington, D.C., 20202-4605.
