Every year our seniors face college applications. The process can be daunting and we want to make sure you get off to a good start and finish strong. On September 29th at 6:00 p.m. we invite you to join us for a night dedicated to Navigating College Applications and understanding the basics of the Financial Aid process. While our primary audience is seniors and their families, all who are interested are welcome to attend.

Thanks,
Josh Almy, Principal
