Senior Recognition 2014

This year, we’ll be recognizing the amazing accomplishments of the Class of 2014 in a variety of ways:

**Scholarship Publications**

Each year, colleges and universities along with local, state and national organizations generously recognize our students’ academic achievements, talents, and unique life experiences with financial support for the next stage of their education. IHS is proud to recognize and celebrate their accomplishments, and to draw awareness to the amazing support colleges, universities and organizations provide to our students.

We will publicize the scholarships that our seniors will take advantage of next year in a variety of ways. If you have been awarded a scholarship that you will use next year, please let us know by completing the [Senior Post High School Plan Form](#) – all submissions included by **May 8th** will be published in the Graduation program (unfortunately, scholarship info received after May 8th will not meet the deadline for this publication). We will release the information on our website and to the Issaquah Press, etc.

We are proud of your accomplishments and eager to let others know about them too!

**Senior Recognition Breakfast**

The Senior Recognition Breakfast will be held on Wednesday, May 21, 2014 from 8:00-9:30am in the Issaquah High School Theater and Commons. This ceremony recognizes highly selective academic achievements and distinctions of the Class of 2014 including National Merit Scholars, AP Scholars with Honor and with Distinction, Valedictorian(s), Washington Scholars, Washington State Principals’ Scholars and Senior Departmental Award winners.

Invitations will be mailed to the students who will be recognized at this event and will indicate the category of distinction. Please support your senior’s achievements with your presence at this reception and join us in recognizing recipients of these awards and distinctions.
