PINE LAKE MIDDLE SCHOOL HONOR SOCIETY

Guidelines for Independent Community Service Projects

Community Service through Pine Lake Middle School should be
Helpful, beneficial and friendly work done for
1) An unrelated person or persons in the community or;
2) For the environment, including plants and animals

It is the responsibility of the student to arrange for a position for volunteer community service. This position can be with:
- An organization the student is already connected to
- An organization in the community that offers assistance and aid to people in need
- An organization that seeks to preserve, protect and/or improve the environment

The student will contact the director of the organization, explain his/her desire for community service and arrange a mutually agreeable schedule of times and responsibilities. At the end of the agreed upon term of service, the student will have the director or someone s/he worked with sign the Community Service Form. You must accumulate at least six (6) hours of community service. This form is to be turned in to one of the NJHS advisors. It will be kept on file for one year. These hours must be turned in by April 19th in order to be counted.

At all times the student will remember that s/he is a representative of Pine Lake Middle School, and as such will act responsibly with honesty and integrity in his/her dealings with the community. His/her behavior will influence the community’s perception of both the school and of the individual student.

Contact Mrs. Little (837-5727) if you have any questions.
