Not Returning to Newcastle
We need your help! Please let us know if you know you are not returning next year. We will continue with the electronic verification of enrollment but we are currently working on staffing and forming classes for next year now. If you know your family will not be returning to Newcastle next year, it will help us to know as soon as possible so we can do our best work in creating balanced classes and ensure we get the right staffing for each grade level. **If you are not returning to Newcastle next year, please let Principal Rich Mellish know by email at mellishr@issaquah.wednet.edu.**

Site Council Releases Family Engagement Survey Report
In January/February approximately one third of our families completed a family engagement survey to help inform the goals and efforts of our school and Site Council in the area of family engagement. Over the last couple months the Site Council has studied the results and developed recommendations for enhancing our practices to engage and support all families and students. Click on the following link to view the full report, [Family Engagement Survey Report](#).

Dates to Remember
