Chartering an ASB Club/Activity

1. Fill out the attached “ASB Club Charter” form which indicates that you MUST:
   1) Have at least six students interested in starting the club
   2) Have a faculty advisor who is willing to attend all club functions
   3) Have posted meeting times and places as well as have a written mission statement and written goals and objectives

2. Submit the application form to the ASB advisor who will review it with the administration to see if the club/ activity is appropriate for the high school.

3. If approved, the club will receive a provisional charter, good for three months. During that time, ASB officers will do at least two “drop in” visits to club meetings to check and see how things are going. Additionally, the club is to have a very visible presence on campus (posters, bulletin boards, announcements in the daily bulletin etc…) the club needs to maintain excellent communication with ASB, especially if meeting times/ dates are going to be moved.

4. At the end of the three month provisional period, ASB will vote in one of three ways in regards to the existence of the club:
   1) Give the club a year long charter for the remainder of the year
   2) Give the club a two month extension so that they can fix things that need to be fixed
   3) Disband the club altogether
Goals and Objectives of Organization:

Proposed Activities:

Meeting Times and Places:

Describe how your club/activity will make Liberty High a better place:

Describe how you will maintain contract throughout the year with ASB:
ASB Club Charter

Name of Club________________________________________________

Faculty Advisor______________________________________________

Other Advisor(s)______________________________________________

Members (must have at least six definite members to be considered; attach a separate sheet if necessary)

1) 
2) 
3) 
4) 
5) 
6) 

Circle the type of club/activity which best describes your club:

- Athletic (groups like Water Polo and Lacrosse)
- Academic (groups like Math Club, Japanese Club)
- Educational (groups like DECA, Barque, Beacon, GSA)
- Service (groups like the National Honors Society and Key Club)

Mission Statement (why do you want the club to exist)
