         Lego Club, 1:30 pm
         P.I.E. Night, 5:30 pm

YMCA Recess Program
Did you know that in King County 76% of kids don’t get the recommended 60 minutes/day of physical activity 5 days/week?

We are excited to announce that the YMCA’s playEVERYDAY program will be brought to our students. This program fits nicely with our PTSA theme, “Healthy Kids, Healthy Community”. We are committed to getting our students on the path to healthy living and increasing their physical activity here at school.

Chris Longfellow, Play Coach from the Coal Creek YMCA, will get the students moving twice a month during the afternoon recess by providing fun group games that anyone can participate in. These games are designed to work on both health-related fitness - endurance, strength, flexibility and skill-related fitness - agility, balance and coordination to further develop the student’s interest in physical activity.

5th Grade Family Life & Sexual Health (FLASH)
The preview for FLASH and HIV/AIDS curriculum for parents of 5th graders will be on Thursday, December 10th at 6:00 pm and on Saturday, December 12th at 9:00 am at the Issaquah School District Administration Building. Please click on the following link for more information, FLASH Parent Letter.
