

SKYLINE HIGH SCHOOL

SHS E-News 1-24-18

Dear Skyline Community,

It has been my honor to serve you for the past four years and it is with deep gratitude for my time here that I share with you now that I will be leaving Skyline to embark on a new challenge and a new adventure as the district's Executive Director of High School Education starting this summer.

Working with your students and with you has been a joy. I have loved seeing your kids work hard academically, compete athletically, perform artistically and musically, give back to our community, and learn who they are and even learn how to lead. I have also had the joy of working with incredibly capable, committed, passionate staff who love our students, your kids. When I first arrived at Skyline, more than one staff member told me about the incredible collaboration at our school and they were so right. The teamwork here, all aimed to benefit students and foster their growth, has been some of the best teamwork I have experienced in my 18 year career to date. I couldn't be prouder of all we have done together.

Our district office staff, including our Superintendent, will take great care to find Skyline a new principal. And I will do all I can to support a smooth transition for that person. I am excited that in my new role I will continue to get to support the new principal, SHS and all the district's high schools.

Skyline—its students, its staff and you, its community—have given me so much. I will always be a Spartan and always carry the Skyline spirit with me. It has been an honor

and a privilege.

Go, Spartans! And thank you,

Donna Hood, Principal
