CHAPTER 2: EARLY ENCOUNTERS

Coastal People vs. Plateau People

Compare the Costal and Plateau tribes in the Venn diagram

How did horses arrive in the United States?

The first Europeans to come in contact with the natives of the NW were explorers looking for the **Northwest Passage**. What was this?
Captain Cook’s men didn’t find the NW Passage, but what other lucrative industry did they discover?

Why did the fur trade eventually end?

How does this connect to today’s environmental concerns? Be specific. **You will not find this in the textbook. You need to think critically.

_**Lewis and Clark**_

Who sent Lewis and Clark to the Pacific Ocean? What were three things the men were supposed to do?

________________________ sent Lewis and Clark
