

Quiz corrections and retakes for _____ must be completed by _____.

QUIZ CORRECTIONS – MISS CORBETT'S CLASS

Quiz corrections must be done in the following format:

A typed table with four columns.

In Microsoft Word, go to Insert → Table → insert the table size you need.

| Entire question from quiz | Your original answer | The correct answer | The scientific reasoning behind your new answer (How do you know that is the correct answer?) |
|---------------------------|----------------------|--------------------|---|
|---------------------------|----------------------|--------------------|---|

Simply insert more rows below and type in the information from the quiz that you need to correct.

Fill-in-the-blank questions, diagram labeling, and short answer questions can be complicated when filling in the table – please use your best judgement.

To retake a quiz the following must happen:

- The original quiz needs to be signed by a parent or guardian.
- Completed quiz corrections need to be stapled on top of the original quiz and submitted to Miss Corbett.
- A retake time (during Charger Time or before/after school) needs to be scheduled with Miss Corbett.
